Re [] housing heaters:

Present plan envisages hot water heaters being replaced only as they give out, with one tank for each two-family unit. [] reports this is feasible. We thus may be able to avoid an extensive job, although our FY61 budget carries an item of \$1600 for this project. We also plan to put \$1100 in FY62, in case the bulk of the requirement does not arise in FY61, and in case we should stay in our present houses two or more years. I believe that any new heaters we may have to install will be recoverable for new housing at []
